Re: HELP Worldwide

To Whom It May Concern:

I have been involved with the HELP Worldwide organization for the last several years and totally believe in the mission of the company and endorse what it does for the benefit of non-profit organizations and for the people of each community.

With the economy of our state and our nation in difficult times, it falls to us as individuals and community members to work harder to ensure that our local non-profit organizations continue to be able to the valuable work that they have always done.

As a resident of the Santa Clarita Valley for over fifty years, it is my job, as a community member, to HELP in any way that I can. To you as community leaders of the City of Glendale, I offer my help and assistance to do the same in your fine city!

Please call on me at any time for any need you may have.

Sincerely,

Bruce D. Fortine  
President
